A Stylish Caribbean Escape in the Heart of Nature

Nestled in a lush tropical garden on the hills of Marigot, Villa Boa is a refined and intimate retreat ideal for a relaxed and elegant vacation in St. Barts. Surrounded by vibrant bougainvillea, swaying palm trees, and yellow frangipani, this recently renovated villa offers an inviting and peaceful atmosphere just minutes from the island's most beautiful beaches. Perfect for couples or small families, Villa Boa harmoniously blends traditional Caribbean style with contemporary comfort and a soft, natural color palette that evokes the tranquil beauty of the island.

Airy Living Spaces That Embrace the Outdoors

From the moment you step inside, Villa Boa enchants with its bright interiors and tasteful decor. The spacious living room is open to the outside, creating a seamless connection with the surrounding landscape. Furnished with carefully selected antique pieces, the space has a colonial charm that celebrates the island's heritage. Soft fabrics, wooden textures, and sea-blue accents add to the villa's

serene atmosphere. The fully equipped kitchen is designed for both functionality and conviviality, perfect for preparing relaxed meals to enjoy al fresco on the shaded terrace with stunning views of the Marigot Bay and the Atlantic Ocean.

Two Independent Bedrooms for Comfort and Privacy

Villa Boa features two air-conditioned bedrooms, each offering total comfort and a unique ambiance. The first suite is located in a separate bungalow, providing guests with complete privacy, while the second is adjacent to the main living space. Both rooms include king-size beds, ceiling fans, mosquito nets, programmable safes, and stylish en-suite bathrooms. This configuration makes the villa ideal for two couples traveling together or for a family with older children seeking both togetherness and autonomy.

A Private Pool Surrounded by Lush Vegetation

At the heart of the property is a wooden deck that extends to a private swimming pool, surrounded by the villa's tropical garden. With panoramic views of the bay and the iconic Turtle Island on the horizon, the pool area is a true haven of peace. Sun loungers line the pool, offering a perfect spot to soak up the sun or relax in the shade of the surrounding greenery. An outdoor dining area allows for unforgettable meals under the stars, accompanied by the soft sounds of nature.
