## Description

This **villa is ideal** to spend your **group vacations** on the island of St-Barths on a **small budget**. **Welcoming, spacious and well designed**, each one of the guests will have its **personal space to relax** in this **beautiful holiday rental**.

Rent villa Wild Blue for **a stay 100% Caribbean!**

Villa Wilb Blue is **nested in the residential** area of Grand Fond, in the heart of a **tropical garden**.

Around the **private pool**, you will find 2 bungalows and the main unit that hosts the common areas. Your holidays in Wilb Blue will allow you to take a **deep dive into the Caribbean with its French West Indies architecture** such as the covered terrace, the separated bungalows and the numerous planks of wood cover the walls.

The garden, dotted with **palm trees and local plants** offers a **unique area** for your vacations.

**Fully air-conditioned**, the villa hosts a **fully equipped open kitchen** with a direct access to the dining table which can accommodate a total of 8 guests. Your meals can also be taken outside on the **covered terrace**. You will also find a guest bathroom accessible from the living room in which you will be able to **relax on the sofa** and enjoy the nice flat screen.

Should you wish to exercise, you will also be able to **directly access the fully equipped gym** of the villa.

2 bedrooms are located in the main unit, one on the ground floor and the second on the upper floor. The other 2 bedrooms are located in the **bungalows around the pool**. Each one of them has its own **private bathroom** and the bedrooms in the bungalows also have a **private terrace**.

Should you be passionate about nature and walks, **villa Wild Blue is made for you!** The area of Grand Fond, still very preserved, will offer you **numerous walking paths**, the **most beautiful** being the promenade that goes from the Toiny Hotel to the Natural pools of Grand Fond. There you would be **walking alongside the seafront** and **admiring a panoramic view over the sea**.

A little further, the Lagoon of Grand-Cul-de-Sac will allow you to indulge in a **typical St-Barths day: Water activities** to go and meet the **sea turtles**, followed by a **lunch feet in the sand** and facing the **turquoise water** and to finish a relaxing **afternoon in the Spa** of The Barthélemy Hotel or the Guanahani hotel.

Only a few minutes away by car, you will also find the **superb beach of Lorient** well-known for its **surfing spot** along with different shops and restaurants.
